

# Hospital Basic Decontamination Course

July 9-10, 2015

8am – 4:30 pm

Health & Science Building Room 2210

This course focuses on the decontamination facilities here at GRMC as well as the basic skills of all First Receivers. Participants will learn all aspects of First Receiver training in compliance with OSHA CFR 29.1910.120.

At the end of the course, students will be able to:

- ✓ **Identify victims of a chemical and / or radiological event**
- ✓ **Choose & Assemble the appropriate level of Hazardous Material PPE**
- ✓ **Inspect equipment for faults**
- ✓ **Successfully Don & Doff Level C PPE**
- ✓ **Apply decontamination techniques to both Ambulatory & Non ambulatory patients using either Decon Facility at GRMC**
- ✓ **Explain the types of Decontamination and when they are used**
- ✓ **Explain the process of a Code Orange activation**
